

INTERNATIONAL YOUNG INVESTIGATOR MEETING

December 27, 2018. A Coruña (Spain)

10.00 - 17.00 h
MUNCYT Coruña
Plaza del Museo
Nacional, 1
15011, A Coruña
www.muncyt.es

The Young Investigator Meeting brings together the best Galician young researchers that carrying out their work in recognised research institutes outside Galicia.

The program features talks and panel discussions. Senior researchers will provide inspirational experiences of starting their scientific careers allowing young scientists to meet, share ideas and start

collaborations. This event is a great opportunity to expand profesional networks and communicate with experts in different scientific fields.
