

INTERNATIONAL YOUNG INVESTIGATOR MEETING

December 29, 2015. A Coruña (Spain)

9.00 - 19.00

Fundación Barrié
Cantón Grande, 9
15003, A Coruña

www.fundacionbarrie.org

The Young Investigator Meeting brings together the best Galician young researchers that are carried out their work in international centers

The program features talks and panel discussions. Senior researchers provide inspirational experiences of starting their scientific careers allowing young

scientists to meet, share ideas and start collaborations.
