

SOLICITUD DE SERVICIOS

Instrucciones para la solicitud del servicio a través de la página web del **Instituto Nacional de Proteómica** (ProteoRed), en la dirección <http://www.proteored.org/>:

1. **Registrarse** como nuevo usuario rellenando la hoja correspondiente. Sólo es necesario hacerlo la primera vez que se consulten los diferentes servicios ofertados o se solicite un servicio. En la página principal de ProteoRed, entrar en la zona de Registro y cumplimentar los apartados que se solicitan (“Customer card”).

The screenshot shows the ProteoRed website interface. At the top, there is a navigation bar with links: Home, Objectives, Structure, Working Groups, Services, News, Events, Tools, and Contact. The main content area is divided into several sections: 'Events' with a calendar for March 2010; 'Spanish Proteomics Facilities' featuring a map of Spain with numbered nodes (1-6) and a legend for Madrid, Bilbao, Barcelona, Salamanca, Valencia, Córdoba, and the Coordination Unit; 'ProteoRed' text describing the network; 'Last News' with a link to the March 2010 agenda; 'Services' listing various proteomics services; 'Working Groups' describing seven specialized groups; and a 'Login' form with fields for 'User' (with 'guest' as a default) and 'Password', and an 'accept' button. A note below the login form explains how to create an account or log in as a guest.

2. **Entrar** como usuarios en ProteoRed (introduciendo User y Password). Así se accede a la página de **Gestión de Solicitudes de Servicio**.

The screenshot displays the 'Requests Management' section of the ProteoRed website. It includes a sidebar with a 'MAIN MENU' containing 'Administration Options', 'Requests Options', and 'MIAPE Documents'. The main content area is titled 'Service requests management' and contains the following text: 'To make a service request in a Proteomics laboratory of ProteoRed, click here:' followed by a flask icon. Below this, it says: 'If you want to track the service request status, please use: 'Request Options' -> 'Tracing Service Request''. To the right, there is a section for the 'MIAPE document generator' with instructions on how to use it. At the bottom right, there is a 'MIAPE' button and a link to 'Download poster' for a poster presented at the 7th Annual World Congress in Amsterdam 2008.

Una vez en ella, hay que seleccionar en “Región” el Nodo 4. En esta página aparece la lista de servicios ofertados por el Nodo (INIBIC y CIC Salamanca).

Requests Management (Step 2 Of 3)

Step 2: Please, select the laboratory and the service.

Node4

Protein and Peptide Molecular Weight Analysis

- Molecular weight analysis by MS-MALDI TOF

Centro de Investigación del Cáncer de Salamanca [Request]

- Saturation level: (0%)
- Estimated delay: 1-5 days
- Estimated price (*): 62 €
- (*)(Additional analysis, IVA and discounts not included)

INIBIC-Complejo Hospitalario Universitario A Coruña [Request]

- Saturation level: (NE)
- Estimated delay: 1-5 days
- Estimated price (*): 70 €
- (*)(Additional analysis, IVA and discounts not included)

Protein Identification

- Peptide Mass Fingerprinting by MS-MALDI TOF

Centro de Investigación del Cáncer de Salamanca [Request]

- Saturation level: (25%)
- Estimated delay: Undefined
- Estimated price (*): 42 €
- (*)(Additional analysis, IVA and discounts not included)
- Additional information about the service

INIBIC-Complejo Hospitalario Universitario A Coruña [Request]

- Saturation level: (NE)
- Estimated delay: 1-5 days

Hay que seleccionar el que análisis del INIBIC que se desee y cumplimentar la correspondiente **Ficha de Solicitud**, introduciendo el número de experimentos, el nombre y tipo de muestras, y el tipo de análisis específico que se requiere.

Requests Management (Step 3 Of 3)

Step 3: Please, fill in the following information:

- Sample data.
- Analysis data.

When you finish to fill in the sample and analysis information, please click **[Finish]** to process the Request.

Request card

ID:	12658
Request date:	24/3/2010
Customer:	Usuario INIBIC (proteomica.inibic@sergas.es)
Contact telephone:	
Customer institution:	Public
Internal request number:	<input type="text"/>
Charge account:	<input type="text"/>
Comments:	<input type="text"/>
Delivery address for samples:	
Service type:	Protein Identification
Service:	Peptide Mass Fingerprinting by MS-MALDI TOF
Experimental restrictions:	none
Technology:	MALDI TOF
Person in charge:	Jesús Mateos Martín (jmatmar@canalejo.org)
Contact telephone:	
Laboratory:	INIBIC-Complejo Hospitalario Universitario A Coruña
Number of experiments: (Spots, Gels, Runs, ...)	<input type="text" value="1"/> *
Estimated price: (IVA and discounts not included)	consult <input type="button" value="calculate"/>

Sample			
Name	Number	Options	
No sample available			
			<input type="button" value="new sample"/>

Analysis			
Name	Additional price	Runs	Options
PMF MALDI-TOF 1-8 samples	0 €	0	<input type="button" value="add"/> <input type="button" value="delete"/>
PMF MALDI-TOF 9-50 samples	0 €	0	<input type="button" value="add"/> <input type="button" value="delete"/>
PMF MALDI-TOF >50 samples	0 €	0	<input type="button" value="add"/> <input type="button" value="delete"/>

Una vez finalizada la solicitud de análisis, ésta quedará registrada y llegará directamente a través de correo electrónico a los responsables técnicos de la Unidad de Proteómica del INIBIC, así como al usuario que la ha realizado.
